Highlights OF OUR NEW FLUE GAS HEAT EXCHANGERS.

BOMAT HAS BEEN OFFERING ENVIRONMENTALLY RESPONSIBLE HEAT RECOVERY SOLUTIONS SINCE 1982. INTRODUCING OUR LATEST DEVELOPMENT: FLUE GAS HEAT EXCHANGERS IN A MODULAR DESIGN FOR INDUSTRIAL APPLICATIONS.

- Suitable for operation with fuel oil, natural gas, biogas, sewer gas and landfill gas
- Up or down-sizing: exactly as you require
- Pipe sections individually selectable
- Easy to clean due to slide-in heater bank
- High heat recovery yield
- Low pressure drop on the flue gas side and fully corrosion-resistant
- Short payback periods

HELP TO **CUT BACK ON CO₂** – ASK OUR
ENERGY ADVISERS ABOUT THE RIGHT
SOLUTION FOR YOU.

WE ARE HERE FOR YOU. COMPETENT AND RELIABLE.
